

# Travelling to New *Choral* Possibilities

A Special Road Show Event  
Applying Estill Voice Training to Choral Singing  
hosted by the Bucks County Choral Society

**Coming to Warminster, PA on September 25th!**

## Discover new tools to add to your teaching toolbox!

Beyond images, learn specific vocal techniques for the choral rehearsal using simple, unambiguous anatomical terms

- Vocal “Figures” that work for training voice like compulsory figures do for skaters
- “Anchoring” for focusing the right amount of energy without constriction (a little air can go a long way!)
- Strategies for balancing different register qualities between vocal parts
- Vocal recipes for broadening your range of vocal color for different musical genres
- Healthy exercises for choral students who also sing musical theater, pop, opera or other musical styles

Conductors and singers will experience a wide range of healthful voice qualities and apply them to a variety of musical styles—from classical to world music to popular. Participants are invited to sing with the workshop “lab” choir, the Bucks County Choral Society.

**Time:** September 25, 2010, 12:00 - 4:00 p.m.

**Fee:** \$50 / \$25 for Students

**Place:** Neshaminy-Warwick Presbyterian Church  
1401 Meetinghouse Road  
(Corner of Meetinghouse & Bristol)  
Warminster, PA 18974

**Earn Act 48 Credits**
